An evening to benefit

You are kindly invited to help celebrate Davis Street's 51st Anniversary of serving the community at An Evening Under the Stars, August 23, 2023.

Since 1972, Davis Street has been a key community leader in guiding families and individuals out of poverty and into productive lives. Founded as a ministry of the San Leandro First Christian Church to provide basic emergency support services to low-income families, we have expanded our services over 51 years to provide a full slate of integrated services. Thanks to our community of donors and partners, Davis Street now offers a comprehensive safety net for residents of San Leandro and the Eden Area that helps clients navigate their journey to financial, physical, and mental well-being, and improves quality of life through short-and long-term assistance. Only with your support can we meet the needs of families and individuals struggling with the unique challenges of our time. Please join us at this special event to honor 51 years of dedicated service to the community and to raise funds for all of Davis Street's critically needed services.
